May is National Salsa Month Homemade Salsa Recipe

Ingredients

14.5 ounce can fire roasted diced tomatoes
pinch of sugar, optional, to balance the acidity of the tomatoes
1/4 teaspoon salt
1/4 teaspoon ground cumin
1/2 cup fresh cilantro leaves
juice from 1/2 of a lime, start with a small squeeze and add more, to taste

Instructions

Add the onion, garlic, and jalapeno to the bowl of a food processor and pulse a few times to chop until the onion pieces are about ¼-inch size.
Drain off the liquid from the can of diced tomatoes with green chilies and discard the liquid. Add the tomatoes and chilies from the can to the food processor.
Add the fire roasted diced tomatoes with their juices from the can to the food processor, along with the remaining salsa ingredients. Pulse until the salsa reaches your desired consistency.
