

# OCTOBER NEWSLETTER 2023

## Let's Party Halloween Style!

This year the Village will have multiple events:

- Party at the Market 3pm-5pm
- Lantern Decorating/walk 5pm-6pm
- Trunk or Treat 5pm-7pm
- Not so Spooky Story time 6:15pm
- Scavenger Hunt 3pm-7pm

Go to the Village of Farwell Facebook page for more information about each event.

Trustee Shawn Burger is in the spot light this month, he has been on the Village Council since 2020. Shawn is also a DPW Committee member and a Personnel Committee member.

Speaking of DPW, GFL has been getting the trash and would like to remind everyone to put their trash out the night before or at least by 6 am. They like to start early and don't want to miss your trash.

The recycling container is still available for Village residents as well. It is located at the DPW Building  
225 S Hall St

## Jell-O Worms

2 packages Raspberry Jell-O (4 servings each)  
3 packages unflavored gelatin (¼ ounce each)  
½ cup whipping cream

Stretch out the bendy part of all of your straws. Prepare your "worm mold" by placing the straws into your container. If using a milk carton, do not cut it, just open the top. The tighter they are packed in, the better.

Place the Jell-O and unflavored gelatin in a bowl. Add the boiling water and stir until dissolved. Let cool to room temperature. Add whipping cream and food coloring. Gently stir. Pour the Jell-O mixture into the straws. Refrigerate overnight.

Pinch out a little piece of Jell-O from one end of the straw (about ½") Place 2 or 3 straws on a hard surface and with a rolling pin (on the end that you have pinched out the Jell-O) roll the end of the straw until the worm starts to come out of the straw. Once the worm has started to move out, it's easy to use your fingers to just push the worm out the rest of the way.
