GFL would like us to remind our residents to use the trash receptacle, that was provided for each residence. If not, your trash will not be getting picked up. If you need another trash receptacle or if you have any trash issues you may call GFL at 989-588-6000.

If you love The Lumberjack Festival and your community, think about joining the planning committee for it. Reach out to Rachael at 989-588-9926 or email her rachael@villageoffarwell.org
