

Credit/Debit Agreement

The Farwell Farmers Market accepts Credit/Debit Tokens, which are processed through the Village of Farwell. By accepting these tokens, vendors agree to comply with the Village's policies for Credit/Debit transactions.

Agreement:

I agree to follow all rules outlined in the Credit/Debit policies, as well as the policies of the Farwell Farmers Market. I understand that my privilege of using these services is contingent upon adhering to these policies.

I acknowledge that if the market staff observes or receives evidence of my failure to abide by this agreement, my approval to accept Credit/Debit tokens may be immediately suspended or terminated. Additionally, the offense may result in a fine or affect my ability to participate in the market.

I understand that it is my responsibility to inform my employees of these rules before they accept any tokens at the market on behalf of my farm or business.

Vendor Signature _____ Date _____

Vendor Name Printed _____ Business Name _____

Please tell us who to make checks payable to:

Name: _____

Address: _____

Phone Number: _____

This agreement must be completed and submitted prior to vendors accepting any tokens.

Credit/Debit Process and Rules:

- Customers visit the information booth (Market Master) at the market and tell the staff how much they would like to spend. The Market Master or staff will process the card for that amount.
- Customers are given tokens in \$1 or \$5 increments for the amount they have chosen to spend.
- Customers can spend tokens with any participating vendor.
- Credit/Debit token users can receive change.
- Customers can save unspent tokens to be used on a future date.
- Vendors record token totals on the tracking sheets provided by the Farwell Farmers Market and turn in all tokens at the end of the market day to the Market Master. Vendors are also encouraged to keep their own records of total tokens redeemed each day. Market staff can provide an extra sheet upon request.
- Vendors will receive a check from the Farwell Farmers Market for the total amount of Credit/Debit purchases. Every effort is made by the market staff to distribute each week's checks by the following Saturday at the Farmers Market.

***Thank you for helping make our customers happy and encouraging their return!
We look forward to working with you!***
